After making an independent review of the pleadings, files and records in this case, and the findings, conclusions and recommendation of the United States Magistrate Judge, I am of the opinion that the findings and conclusions of the magistrate judge are correct and they are adopted as the findings and conclusions of the court.

It is, therefore, **ORDERED** that the findings, conclusions and recommendation of the United States Magistrate Judge are **ACCEPTED**, that plaintiff's claim against defendant Dallas Police Department is **DISMISSED** with prejudice as frivolous pursuant to 28 U.S.C. §§ 1915A(b) and 1915(e)(2), and that

service of process is **ISSUED** on plaintiff's fourth amendment claims against defendants Wachovia, Inc. and Police Officer Jose Delacruz.

Since plaintiff was previously granted leave to proceed *in forma pauperis*, it is **ORDERED** that the clerk shall prepare and issue summonses for the defendants named below, and deliver the summonses to the United States Marshal for service of process pursuant to Rule 4, Federal Rules of Civil Procedure, along with copies of the amended complaint, plaintiff's answers to the supplemental questionnaire, and the recommendation of the magistrate judge.
